Opening of the Asia-Europe Environment Forum
Jakarta 23\textsuperscript{rd} November 2005

The 3-day Asia-Europe Environment Forum opened today in Jakarta, 300 participants from 38 countries in Asia and Europe are present.

This Forum is co-organised by the Asia-Europe Foundation, the Indonesia Biodiversity Foundation, the Hanns Seidel Foundation, the Institute for Global Environmental Strategies and the United Nations Environment Programme. The theme of the Forum is: 1/3 of Our Planet: What Can Asia and Europe do for Sustainable Development?” Topics such as global climate change, environment protection, natural resources management and sustainable development will be discussed, among others.
