Museum of Ethnology prepares entries for ASEMUS travelling exhibition

The Vietnam Museum of Ethnology is preparing entries for the travelling exhibition "Ourselves and Other: Portraits from Asia and Europe," funded by the [Asia-Europe Foundation \(ASEF\)](#).

Vietnamese entries will mainly depict the local people and the Vietnamese people's understanding of different cultures and Europe.

The travelling exhibition, Self and Other: Portraits from Asia and Europe, organised by the Asia-Europe Museum Network (ASEMUS), will open in Stockholm, Sweden in January 2007. The exhibition will thereafter travel to many venues in Asia and Europe, from Lisbon (Portugal) to London (Britain), Kuala Lumpur (Malaysia), Shanghai (China) and Osaka (Japan) by the end of 2008.

The travelling exhibition is a co-operation project of 18 museums representing Asian and European countries.
