

ASEF CAPACITY TRAINING ON PUBLIC SPEAKING AND NEGOTIATION Manila, the Philippines 27 and 28 June 2016

An event in support of the 7th Model ASEM, 6-10 July 2016, Ulaanbaatar, Mongolia

OVERVIEW

BACKGROUND

The ASEF Capacity Training on Public Speaking and Negotiation is organised by the Asia-Europe Foundation (ASEF) in partnership with the Far Eastern University, Manila. The event is part of ASEF's education portfolio that, amongst others, provides youth platforms for dialogue and solution-centered pragmatic skills-development. www.asef.org and [#ASEFEdu](https://twitter.com/ASEFEdu)

This particular Capacity Training complements and builds up the momentum for the [7th Model ASEM](#) in Ulaanbaatar, Mongolia (6-10 July 2016) in conjunction with the 11th ASEM Summit (ASEM11). Model ASEM is a 3-day youth conference and political simulation of the Asia-Europe Meeting (ASEM) Summit. The agenda and programme are closely based on the actual proceedings of the ASEM11 which gathers the ASEM Leaders, including 51 Heads of States, the President of the European Commission, the President of the European Council and the Secretary-General of the Association of Southeast Asian Nations (ASEAN) Secretariat. Through role-play, research, case-studies and practical trainings students will enhance their diplomacy, negotiation, consensus-building and public-speaking skills. #ModelASEM

OBJECTIVES

- Create the opportunity of a skills-focused ASEF programme on a local level
- Provide a platform for youth to aggrandize their public speaking, presentation and negotiation skills, a core competence for future employment
- Enable youth to obtain personalized feedback through an experienced trainer and group activities

ORGANISER, PARTNER AND SUPPORTER

The Asia-Europe Foundation (ASEF) promotes understanding, strengthens relationships and facilitates cooperation among the people, institutions and organisations of Asia and Europe. ASEF enhances dialogue, enables exchanges and encourages collaboration across the thematic areas of culture, economy, education, governance, public health and sustainable development. ASEF is an intergovernmental not-for-profit organisation located in Singapore. Founded in 1997, it is the only institution of the Asia Europe Meeting (ASEM).

Together with about 750 partner organisations ASEF has run more than 700 projects, mainly conferences, seminars and workshops. Over 20,000 Asians and Europeans have actively participated in its activities and it has reached much wider audiences through its networks, web-portals, publications, exhibitions and lectures. www.asef.org

Since its establishment in 1928 by founder Dr. Nicanor Reyes, Sr., Far Eastern University has been recognized as one of the leading universities in the Philippines. The first Accountancy and Business school for Filipinos, the university has, through the years, expanded its course offerings to the Arts and Sciences, Architecture and Fine Arts, Education, Engineering and Computer Studies (FEU East Asia College), Graduate Studies, Law, and Medicine (FEU-Nicanor Reyes Medical Foundation). True to its mission of bringing up graduates who have contributed to the advancement of the country, FEU is proud of its alumni who have been successful key government officials, influential accountants and businessmen, famous media personalities, innovative education administrators and faculty, expert physicians and nursing leaders, decorated national and professional athletes, cutting edge architects, artists, and engineers.

Under the current leadership of Dr. Michael M. Alba, University President, along with a dynamic and cohesive team of academic and non-academic managers, the university continuously challenges itself to raise the bar of excellence to achieve a top-tier status not only in the Philippines but also in the South East Asian region. www.feu.edu.ph

Global Changemakers was created in 2007 with the aim to empower youth to catalyse social change. In its seven year existence it has become a close knit network of 100,000 young social activists. Global Changemakers supported 280 youth-led projects in 128 countries with 200,000 people directly involved and benefiting over 4 million people. Over 900 million people were reached via the media. Originally a British Council programme, Global Changemakers is now an independent organisation and is comprised by talented youth that are innovating and bringing about change in many fields. Changemakers have shared their experience in a range of high profile meetings on various fields. So far, they have partnered with the World Bank Institute, the World Economic Forum the Nike Foundation, Clinton Global Initiative and many others. www.global-changemakers.net

ASEF's contribution is with the financial support of the European Union.
