

## **ASEF and JUNIMA hold roundtable meeting on Migrants and Healthcare**

The Asia-Europe Foundation (ASEF) and the International Organisation for Migration (IOM), as the Secretariat of the Joint UN Initiative on Migration and Health in Asia (JUNIMA), jointly organised a one day roundtable on migration and healthcare in Bangkok on 11 August. Under the title of Socio-economic Approaches and Strengthening Partnerships, the meeting discussed the socio-economic benefits of investing in migrants' health, and how strengthening multi-sectoral partnerships at national, regional and global levels helps to advocate for policies that support migrants' access to health.
