What kind of initiative shall the ASEAN Education Sector prioritise related to diversity, equity & inclusion in Higher Education?
How long will it take to recover from the impacts of the COVID-19 pandemic on Higher Ed & get back on track towards Agenda2030?

- 11: I am optimistic, by the end of 2022
- 9: We will be back on track for Agenda2030 in about 5 years
- 5: We will need this decade to recover
- 0: It will take much longer, only after 2030
Rank the sector/stakeholder groups by the degree of impact on advancing diversity, equity and inclusion in Higher Education?

1st: University Leadership & Faculties
2nd: Education Policymakers and Politicians
3rd: Student Associations
4th: International/Non Profit Organisations
5th: Small and Medium Enterprises (including social enterprises)
6th: Big businesses and multinational companies
What are the most critical issues in the region related to equity, diversity and inclusion?
