16th ASEF Classroom Network Conference
“Leading Change: Digital Transformation of Education in the Era of AI
12-16 November 2023
Ljubljana, Slovenia
Tentative Programme
DAY 1 – SUNDAY, 12 NOVEMBER 2023
ARRIVAL, REGISTRATION & WELCOME

07:00 – 17:00 Arrival of Participants throughout the day

14:30 – 16:30 Registration and check-in at the Hotel Lobby

18:00 – 19:00 Guided Walking Tour around Ljubljana

Notes:
- Participants to gather at the hotel lobby at 18:00 hours.
- Participants will proceed for the guided walking tour in Ljubljana (30 mins) and proceed to the City Hall for the Welcome Reception, right after the walking tour.
- For those who can only join the welcome reception, please gather at the hotel lobby at 18:30 hours and the organiser will walk you to the City Hall which is approximately 10 mins.

19:00 – 21:00 Welcome Reception & Intercultural Icebreaking by Host & Organisers

Welcome Remarks by:
- Mr Boštjan KORITNIK, Deputy Mayor, City of Ljubljana, Slovenia
- Ms Maja BALANT SLOBODJANAC, ASEF Governor for Slovenia, Ministry of Foreign Affairs of the Republic of Slovenia
- Ambassador Toru MORIKAWA, Executive Director, Asia-Europe Foundation (ASEF)
- Professor John SHAWE-TAYLOR, UNESCO Chair for AI, Director, Centre for Computational Statistics & Machine Learning, University College London (UCL), United Kingdom; Director, IRCAI, Slovenia

Intercultural Icebreaking by:
- Ms Reka TOZSA, Director, Education Department, Asia-Europe Foundation (ASEF)
- Ms Jyoti RAHAMAN, Senior Project Executive, Education Department, Asia-Europe Foundation (ASEF)

Participant-to-Participants Informal Self-introductions

DAY 2 – MONDAY, 13 NOVEMBER 2023
SETTING THE SCENE: KEYNOTE, LECTURES & WORKSHOPS
Venue: City Hotel Ljubljana

09:00 – 09:30 Official Opening Remarks

Opening Remarks by:
- Ms Maja BALANT SLOBODJANAC, ASEF Governor for Slovenia, Ministry of Foreign Affairs of the Republic of Slovenia
- Ambassador Toru MORIKAWA, Executive Director, Asia-Europe Foundation (ASEF)
- Professor John SHAWE-TAYLOR, UNESCO Chair for AI, Director, Centre for Computational Statistics & Machine Learning, University College London (UCL), United Kingdom; Director, IRCAI, Slovenia

</table>
| 09:30 – 10:30 | **Opening Keynote**  
  - The Present & Future of AI Driven Digital Transformation of Education across Asia and Europe  
  - Launch of ASEFClassNet16 Asia-Europe Survey Report on AI in Education  
  The aim of this session is to introduce participants to AI and AI&ED (AI and education). The keynote speakers will reflect on current trends and status of AI and AI&ED across Asia and Europe and encourage participants to reflect on their own teaching scenarios.  
  During this session ASEF will also launch the ASEFClassNet16 Survey Report on AI in Education, and the Speaker will introduce participants to the findings from the Survey.  
  **Speaker:**  
  - Dr Wayne Holmes, Associate Professor, UCL Knowledge Lab, University College London (UCL) United Kingdom  |
| 10:30 – 11:00 | **Coffee, Tea & Networking Break**  |
| 11:00 – 11:30 | **Lecture 1** Learning about AI (AI Literacy)  
  **Fundamentals of AI from a Humanistic Viewpoint**  
  The aim of this session is to warm-up participants and to set the topic conversational scene for the 5-day conference. It will focus on AI ethics by design, raising self-awareness and critical views among participants on AI in a peer-to-peer setting.  
  **Speaker:**  
  - Dr Caroline Pelletier, University College London (UCL) United Kingdom  |
| 11:30 – 13:00 | **Workshop 1** Learning about AI (AI Literacy)  
  **Fundamentals of AI from a Technological Viewpoint**  
  The aim of this session to provide participants with a practical opportunity to experience an AI tool, building upon a pre-event online session (at which participants will have been encouraged to find and bring to Slovenia a dataset that they can use).  
  **Workshop Facilitator:**  
  - Dr Ajda Pretnar Žagar, Researcher, Orange Data Mining & Faculty of Computer & Information Science, University of Ljubljana, Slovenia  |
| 13:00 – 14:00 | **Lunch**  |
| 14:00 – 14:30 | **Informal Interaction**  
  **Getting to know Each Other through Identity Envelope**  
  During the coffee break participants will have the opportunity to look at each other’s identity envelope to learn more about their peers in an informal setting.  |
| 14:30 – 15:00 | **Lecture 2** Learning with AI (AIED)  
  **The Current Mobilisation & Potential of AIED Tools: Roles & Responsibilities of Teachers & Teacher Trainers**  
  The aim of this session is to explore how AIED tools are increasingly becoming part of education systems, often led by tech companies. The speaker will take the participants on a journey to understand the gap between the potential and the reality of AIED tools, the origin...
of their mobilisation in the education sector, and what teachers and teacher trainers can do to ensure the right, relevant and effective use of AIED tools.

Speaker:
- **Professor Rhona SHARPE**, Director, Centre for Teaching & Learning, University of Oxford, United Kingdom

15:00 – 16:30 **Workshop 2** Learning with AI (AIED) Teacher Experience of AIED Tools

The aim of this session is for participants to share their experiences of using AIED tools in their teaching practice. 6 (pre-selected) participants will each give a 5-minute presentation about their experience of using AIED tools with their students, critically reflecting on the tools from their perspective as an educator. It is important that the posters explore the challenges (and should not be just about selling the benefits). NB The pre-selected participants will include anyone who is using generative AI (such as ChatGPT). See the next session.

Through small interactive team discussions participants will embark on critically exploring their role as educators and the role of AI in education. Issues that they might consider include digital infrastructure, professional training, and the commercialisation of education.

**Workshop Facilitator:**
- **Dr Wayne HOLMES**, Associate Professor, UCL Knowledge Lab, University College London (UCL) United Kingdom

16:30 – 17:00 **Coffee, Tea & Networking Break**

During the coffee break, participants will have the opportunity to look at other participants’ Identity Envelope posters.

17:00 – 18:30 **Workshop 3** Learning with AI Generative AI in the Classroom

The aim of the session is to introduce generative AI (e.g., ChatGPT) and its possible use in the classroom, together with the challenges (worries about cheating) and the ethical issues (e.g., IP theft and Kenyan ‘ghost workers’). If one/two of the participants submitted a poster about generative AI in the classroom, they will be given 5 minutes to present their experience. Participants will explore prompt writing in order to use generative AI to develop ideas, materials, questions etc. for use to support teaching. They will also consider the ethical challenges that they will have to address if they choose to use generative AI in their classrooms.

**Workshop Facilitator:**
- **Ms Sopio ZHENTI**, Head of English Language Department, British-Georgian Academy

18:30 – 19:00 **Recap** Interactive Feedback Session on Learning from Day 1

The aim of this session is to provide participants with an opportunity to reflect on their learning from the day. Through various interactive elements participants will not only have the chance to strengthen the knowledge built but also will have a chance to give feedback on how the sessions were like and how they could have been improved for future editions.

**Moderators:**
- **Ms Reka TOZSA**, Director, Education Department, Asia-Europe Foundation (ASEF)
### Day 3 – Tuesday, 14 November 2023
**Innovathon and Study Visit**

<table>

</table>
| 09:00 – 09:30 | **Warm Up** | Setting the Scene for Day 2  
Interactive Group Game  
**Facilitated by:**  
- Ms Reka TOZSA, Director, Education Department, Asia-Europe Foundation (ASEF)  
- Ms Jyoti RAHAMAN, Senior Project Executive, Education Department, Asia-Europe Foundation (ASEF) |
| 09:30 – 10:00 | **Keynote 2:**  
Smart Learning in the Era of AI: Innovation Potentials & Pitfalls  
**Speaker:**  
- Prof Ronghuai HUANG, Professor of Artificial Intelligence and Education of Beijing Normal University, and UNESCO Chair for AI in Education |
| 10:00 – 11:30 | **Innovathon Session 1**  
Pitching Ideas for Peer Feedback  
➢ School Collaboration Track: ASEFClassNet16 Innovative Teaching Practice (ITP)  
In this session the School Collaboration participants present their joint Innovative Teaching Practice (ITP) ideas in pairs. The pitching of the ITPs developed by participants will take place in a jury style where the presenters will receive feedback from their peers on pedagogical style, practical scope, impact, budget, timeline, implementation strategy, sustainability etc.  
➢ Faculty Collaboration Track: Joint Faculty Collaboration Ideas  
In this session the participating Faculty Collaboration participants presents their collaboration ideas. The pitching of the CIAs developed by participants will take place in a jury style where the presenters will receive feedback from their peers on practical scope, impact, budget, timeline, implementation strategy, sustainability etc. |
| 11:30 – 11:50 | **Coffee/Tea Break** |
| 12:00 – 13:00 | **Innovathon Session 2**  
Working on Ideas in Groups  
Groups continue working on their ITPs and Faculty Collaboration plans according to the feedback and inspiration received in the previous session. [To be held in multiple rooms with multiple groups based on designated mentors and pairs] |

09.30 – 10.30  **Roundtable 1  Learning about AI**  
The Realities and Critical Issues Surrounding AI&ED across Asia and Europe  
This session brings diverse AI&ED experts from across Asia and Europe to critically discuss significant issues surrounding AI&ED. The purpose of this session is to engage participants in a timely relevant conversation with experts and help them build their awareness, understanding, and critical perspectives on AI&ED through multi-stakeholder conversations.  
**Speakers:**  
- Prof Ronghuai HUANG, Professor of Artificial Intelligence and Education of Beijing Normal University, and UNESCO Chair on AI in Education  
- Prof Margus PEDASTE, Professor & Head of Pedagogicum, Institute of Education, University of Tartu, Estonia  
- Mr Morten SØBY, Digital Education Innovation Expert, Norway  
- Prof Maria Ruth REGALADO, Associate Professor, Philippine Normal University, The Philippines  
**Moderated by:**  
- Ms Mihajela CRNKO, Chief Communications Officer & Partnership Lead, IRCAI, Slovenia  

10:30 – 11:00  **Coffee, Tea & Networking Break**  

11:00 – 12:00  **Roundtable 2  Learning with AI**  
Effective and Ethical Use of AIED Tools: Roles of EdTech Designers & Readiness of Teachers  
This session brings diverse AIED experts and educator from across Asia and Europe to critically discuss significant issues surrounding AIED. The purpose of this session is to engage participants in a timely relevant conversation with experts and help them build their awareness, understanding, and critical perspectives on AIED through multi-stakeholder conversations.  
**Speakers:**  
- Professor John SHAWE-TAYLOR, Director, Centre for Computational Statistics & Machine Learning, University College London (UCL), United Kingdom; Director, IRCAI, Slovenia  
- Mrs Juliette BENTLEY, Education Innovation Specialist, Datacom, Australia  
- Dr Ajda PRETNAR ŽAGAR, Researcher, Orange System & Faculty of Computer & Information Science, University of Ljubljana, Slovenia  
**Moderated by:**  
- Ms Sopio ZHGENTI, Head of English Language Department, British-Georgian Academy  

12:00 – 13:00  **Lunch**  

13:00 – 14:30  **Innovathon  Session 4**  
Final Pitching for the ASEFClassNet16 Innovative Teaching Practices (ITPs) by School Collaboration Participants

Co-organisers

The Asia-Europe Foundation (ASEF) is an intergovernmental not-for-profit organisation founded in 1997 and located in Singapore. ASEF’s mission is to promote understanding, strengthen relationships and facilitate cooperation among the people, institutions and organisations of Asia and Europe. ASEF enhances dialogue, enables exchanges and encourages collaboration across the thematic areas of culture, education, governance, sustainable development, economy, public health, and media. www.ASEF.org

The International Research Centre on Artificial Intelligence (IRCAI) under the auspices of UNESCO is a dedicated scientific network, committed to “bridge both artificial intelligence and sustainable development” ensuring via any available means be it research, policy, or technology, that the public is the main beneficiary of our actions. We’ve built an international and inclusive environment where collaboration is encouraged, and learning is shared freely. With a particular focus on equity, inclusion and diversity, we develop insights, frameworks and tools to help both us and the broader AI community create AI that represents the diversity and development concerns of people across the world.

The Jožef Stefan Institute (JSI) is the leading Slovenian scientific research institute, covering a broad spectrum of basic and applied research. The staff of about 1050 specializes in natural sciences, life sciences and engineering. The subjects concern production and control technologies, communication and computer technologies, knowledge technologies, biotechnologies, new materials, environmental technologies, nanotechnologies, and nuclear engineering. The mission of the Jožef Stefan Institute is the accumulation - and dissemination - of knowledge at the frontiers of natural science and technology to the benefit of society at large through the pursuit of education, learning, research, and development of high technology at the highest international levels of excellence.
