WHAT ARE THE #ASEFYLS CAPACITY BUILDINGS?

The ASEFYLS Capacity Buildings 2024 will take place from **July to December 2024**, focusing on the theme of ‘*Leadership & Society 5.0*’. It is a hybrid project with collaborative programme elements. **Participants will attend the in-person training either in China or in Hungary.**

Leadership in Society 5.0

The *Society 5.0* concept describes a human-centred society that balances economic advancement with the resolution of social problems by a system that highly integrates cyberspace and physical space. ASEFYLS will explore what kind of leadership is needed for Society 5.0 and how young people can prepare for an ethical, sustainable and digital future.
