

# 1st Asia-Europe Education Next Fellowship

“Re-thinking Intelligence: The Future of Teacher Education”

May - November 2026

## Programme Overview

**Wed, 13 May 2026**

### Welcome & Introduction

Build connections with fellow participants and set the stage for a collaborative learning journey.

**Wed, 20 May 2026**

### Peer-to-Peer Dialogue #1

Explore why rethinking intelligence is critical in today's rapidly evolving, AI-driven world.

**Wed, 3 Jun 2026**

### Peer-to-Peer Dialogue #2

Unpack what AI-influenced and sustainability-driven education means in practice.

**Wed, 10 Jun 2026**

### Peer-to-Peer Dialogue #3

Re-thinking and reflect on the evolving role of teachers and teacher educators in the age of AI.

**Wed, 17 Jun 2026**

### Peer-to-Peer Dialogue #4

Identify key challenges and define shared inquiry themes to guide your work.

**Wed, 24 Jun 2026**

### Translation from Dialogue to Collaboration

Translate ideas into action by aligning themes, mapping team focus areas, and setting directions for whitepapers.

**01 Jul - 08 Sep 2026**

### Independent Whitepaper Co-creation Phase Begins

Collaborate in teams under the guidance of Fellowship Leaders to co-develop impactful whitepapers.

**09 Sep 2026**

### Peer-to-Peer Feedback Session

Present draft whitepapers and receive constructive feedback to strengthen your work.

**10 Sep - 17 Nov 2026**

### Independent Whitepaper Co-creation Phase Continues

Refine and advance your whitepapers based on feedback through ongoing collaboration and iteration.

**23 - 27 Nov 2026**

### On-site Conference

Engage in person to present final outputs, deepen dialogue, and shape collective impact.
